π Picnic

A Slice of Social Summer Fun

The Washington Apple Pi will host a picnic for members and guests on June 19th 2004 at Lake Accotink Park near Springfield.VA. This special social event is intended to allow Pi members to learn a few more names and faces of fellow members. It is being held in lieu of an indoor General Meeting for the month of June and will also serve as an informal reception for newly elected Board of Directors members.

Advance sale tickets will cost \$5. Ask for them at SIG meetings, classes, etc. You can also order them by phone through the Pi office at 301-983-0300. Persons planning to buy tickets at the event should phone in a reservation to help us with our advance shopping. Tickets at the event will cost \$6.50. There is no charge for children 7 and under in the company of their parents or guardians.

The picnic format is "modified pot luck." Each family is asked to contribute a dish that will serve four people. In order to assure a modest level of variety we have assigned categories according to the first letter of your surname according to the following table:
